

Day Moisturizer

This light daytime moisturizer absorbs quickly, yet leaves the skin nourished and feeling soft and smooth.

SP-DM

Suggested Use:

Liberal apply to clean, gently-dried skin twice daily.

Suggested Precautions:

For external use only. Avoid direct contact with eyes. Rinse with water if direct eye contact occurs. Do not use on broken skin. For adult use only. Keep out of reach of children. If swallowed, get medical help right away. Stop use and ask a doctor if rash or irritation develops and persists. Use sunscreen and avoid long term exposure to sun.

Key Ingredients:

Glycerin: Humectant-it attracts moisture to your skin

Tocopheryl Acetate: Antioxidant- protects skin from environmental and oxidative damage

Aloe Barbadensis Leaf Juice: enhance the appearance of dry or damaged skin by reducing flaking and restoring suppleness

Panthenol: deep penetrating moisturizer that can be used to sooth-irritated skin. It also softener of the skin and makes the skin more elastic

Tetrahexyldecyl Ascorbate: a stable oil-soluble form of Vitamin C; very bio-available, an anti-oxidant; has anti-aging properties; Clarifying and brightening activity

Glycosaminoglycans: combination of glycosaminoglycans respectively proteoglycans isolated from cartilaginous fish; mainly consisting of chondroitin sulphate and hyaluronic acid; consists of linked up amino sugars and uronic acids the amino groups of which are acetylated by nature and which are partly sulfonated; imparts a unique lubricity and moisturization to the surface of the skin with a special feeling of softness and smoothness

Collagen: Collagen is subject to a continuous aging process in the skin; Collagen becomes tougher and increasingly loses its capacity to bind large quantities of water which is essential for the skin; high water binding potential; helps to promote skin hydration

Allantoin: moisturizer; increases the water content and smoothness of skin
