

Hydrating Cleanser

This rich hydrating cleanser helps loosen and remove dirt, germs, excess oils, dead cells, and cosmetic residues without irritating the skin or drawing away needed moisture.

SP-HC

Suggested Use:

Use morning and night. Spread thinly over face and neck and massage well with upward circular movements. Wipe face and neck with a warm damp cloth. Rinse off any excess with lukewarm water.

Suggested Precautions:

For external use only. Avoid direct contact with eyes. Rinse with water if direct eye contact occurs. Do not use on broken skin. For adult use only. Keep out of reach of children. If swallowed, get medical help right away. Stop use and ask a doctor if rash or irritation develops and persists.

Key Ingredients:

Glycerin: Humectant-it attracts moisture to your skin

Aloe Barbadensis Leaf Juice: enhance the appearance of dry or damaged skin by reducing flaking and restoring suppleness

Olea Europea (Olive) Oil: skin conditioning agent, act as lubricants on the skin surface, which give the skin a soft and smooth appearance

Polyethylene Glycol 400: helps clean the skin and hair by helping water to mix with oil and dirt so that they can be rinsed away

Caprylic/Capric Triglyceride: oily mixed ester composed of caprylic and capric fatty acids derived from coconut oil and glycerin; slows the loss of water from the skin by forming a barrier on the skin's surface. It is also used to alter the thickness of liquid products.

Simmondsia Chinensis (Jojoba) Seed Oil: Extracted from the seeds of the desert shrub simmondsia chinensis this oil is actually an emollient ester with excellent spreading, lubricating and penetrating properties; acts as a moisturizer and emollient agent to improve the skin elasticity and suppleness
